- New AIR/SEA Contractor: Multi Service Corporation (MSC), 8650 College Blvd., Overland Park, KS
- Contract Performance Period: January 1, 2005 – December 31, 2007, with five (5) one (1) year option periods
- 90-Day transition period anticipated
- One-Card Solution that meets Aviation Into-plane Reimbursement (AIR) and Ship's bunkers' Easy Acquisition (SEA) Card requirements

# AIR/SEA Card Program Goals

- One fuel charge card providing services for AIR/SEA credit card processing services to all DESC customers for worldwide.
- Provide electronic data collection
- Utilize/mirror commercial processes and electronic technology
- Reduce/Eliminate manual/paper process, i.e., DD1898/DD1155/SF44
- Maintain oversight of non-contract purchases
  - Enable DESC and customers to identify future contract locations and track data - real time information
- Reduce paperwork burden on all parties
